

REFUSE CLAIMS OF 99 DRAFTED

Classification Cards Sent Men of
Last Registration Whose Pleas
Were Rejected.

FIVE DAYS TO MAKE APPEAL

District Board Has Jurisdiction
Over Industrial and Agricultural
Workers.

Classification cards of 9 men of the class of June, 1918, were mailed out by the local exemption board last evening. These cards were for those who had claimed deferred class on various grounds. They were placed in class 1, division A, by the local board, and will be given five days in which to make an appeal.

It is stated by members of the board that it will be useless for men who claimed exemption on industrial and agricultural grounds to make an appeal now, as their cases are entirely under the jurisdiction of the district board. In case the district board rejects their claim an appeal can then be made.

The local board has the power to classify all men except those making all claims on industrial or agricultural grounds. Men who made claims other than on industrial and agricultural grounds are now at liberty to make an appeal. The local board recommended to the district board that a number of industrial and agricultural claims be allowed.

Classification cards of men who did not claim deferred classes are being mailed out today. Final action on the classification of all men who registered June last is expected in the near future, as it is unusual to have these registrants ready for call in August.

REBUILDING DYKE IN DRURY DISTRICT

Dredges have started work strengthening the levee above Copperas creek on the Illinois shore opposite Muscatine. Two years ago the high water broke the dyke, and while temporary repairs were made it never had been considered safe against ordinary high floods. It is proposed to make it much larger than it is, with a width of ten or twelve feet top, and high enough to stand in any stage of water. Several thousand acres of land in the upper district will be made safe for agricultural purposes.

MILAN

Mrs. J. V. Mudd and two sons, James and William, of the T. S. S. Connecticut, left Sunday to reach his duty in the front lines. Mrs. Mudd spent at the home of her sister, Mrs. E. Lane.

Mrs. James Thompson and John Thompson of Yale, Iowa, Samuel Thompson of Minneapolis, Minn., Mr. Hanson of St. Paul, Minn., Mrs. Marie McConnell of Iowa City, and Mr. and Mrs. Will Lindstrom of this island are in Milan, under the care of the Red Cross, for the purpose of nursing the wounded and the sick.

Richard Van Alstyne, who is in training at Great Lakes, spent Saturday and Sunday with his parents, Rev. and Mrs. E. W. Van Alstyne.

Mrs. Marie Bachman of Spring Valley, Ill., Mrs. Edmund Brown, a native of St. Louis, and Mrs. Rosemary Smith of Toledo, Iowa, are spending a few days with their sister, Mrs. G. A. Wiggins, and friends here.

The funeral of Mrs. Robert McConnell was held from the Methodist church Wednesday at 10 o'clock, with interment at Restvale cemetery. The service was by a eulogy by Rev. E. W. Van Alstyne was in charge.

The funeral of Mrs. John Thompson, Samuel Thompson, Matthew Gaunt, Arthur Gaunt, George McConnell and Charles McConnell, all of Milan, was held at 10 o'clock in the morning at the home of Mrs. Myrtle Thompson.

Mrs. Laura Denker and daughter, Grace of Reynolds are spending a few days with Mr. and Mrs. E. N. Brown.

DR. COFFEY IN HIS OFFICES SATURDAY, MONDAY AND TUESDAY.

Dr. Coffey states that during the rest of July and month of August he will be in his Davenport offices in the First National bank building Saturday, Monday and Tuesday, three days each week. He has to do this, for the reason that it has been impossible for him to see all the people that desire his services in two days. See his announcement in another part of this paper today. Read of some of the splendid cures he is making, and if you suffer, you better see him, as his offer is a fair one. (Adv.)

Maurice Anderson, formerly senior member of the Anderson & Remmer grocery firm of Rock Island, has arrived safely in France, according to word received by his parents, Mr. and Mrs. P. L. Anderson, 4503 Ninth avenue. He left Rock Island for Camp Dodge April 29 and was later transferred to San Antonio, Texas. Another son, Carl Anderson, who left with the draft contingent June 27, is now in training at Camp Grant. He was a member of the Rock Island high school faculty. Ruben, a younger son, age 18, intends to enlist the latter part of this month. Mrs. J. S. Mangold, daughter of Mr. and Mrs. Anderson, has arrived from Rapids City, S. D., accompanied by her daughter, Helvig. They will make their home with the Anderson family while Mrs. Mangold's husband remains in service. He is receiving military training at Madison, Wis., having been commissioned captain of the civil engineer corps. Before entering service he was professor in the civil engineer department in a school of mines in South Dakota.

Franklin Johnson, former Augustana student, son of Mr. and Mrs. F. A. Johnson, 1232 Fourteenth street, Moline, and now one of the never-miss strikers of the marine corps, leaves tonight for Quantico, Va., after a few days spent on furlough with his parents. Johnson expects to be called overseas shortly after his return to Quantico.

Without a doubt the best branch in the service, according to Johnson, is the marine corps and well may he feel that way, if a man's physique should prove cause for any satisfaction. When he enlisted Johnson was a slight chap weighing a modest 160 pounds and now after a year's service, he has increased in weight to 185 without the addition of a pound of fat. He is looking robust and hard as a veteran and former friends had difficulty in recognizing him.

Johnson is feeling especially satisfied now inasmuch as he has been picked up about forty others out of an entire company for sniper work and now wears a little badge bearing the legend, "Expert Rifleman." The bull's eye is the only shot Johnson can hit and before long he hopes to be picking off stray Germans about three miles off with his trusty Springfield rifle.

Experiences have come to Johnson thick and fast since his enlistment shortly after the declaration of war. He was sent from Rock Island to Chicago, thence to Paris Island, has spent a few months in Cuba and is now stationed at Quantico, Va. He has changed his address about a dozen times and has done everything in military work from bayonet drill to totting 100 pound shells all day for exercise in the artillery.

Word was received by Mrs. Kinney E. Leina, 2845 Eighth avenue, that her husband had been promoted to the rank of a corporal. He is stationed at Camp Grant, Rock Island. He left with the June 27 quota from Rock Island.

Lieutenant David E. Thompson, brother of State's Attorney Floyd E. Thompson, took an active part in the program offered at Payne Field, West Point, Miss., by the United States aviation school. Students on war savings day, June 27, according to word received from him yesterday by Assistant State's Attorney E. L. Eagle. A program was given which lasted throughout the afternoon and consisted mostly of daring "antics" in the air on the part of the students at the school. The program opened with an exhibition by three Canadian "ships." Lieutenant Thompson, with three other students took part in the second exhibition, termed the flying circus. The circus was mostly stunts and was followed by a series of trick flying exhibitions. In the program Lieutenant Thompson gave an exhibition of barrel looping and upside down spiraling. The last on the program was a parade by 100 aeroplanes led by Major Heard in charge. At the conclusion each of the planes landed at its respective stage. Lieutenant Thompson writes, in the course of the program he flew for a mile and a half upside down at an altitude of 3,000 feet.

Private J. S. Smith, son of Mrs. E. Smith, 1329 Seventeenth street, returned to Camp Dodge last night after spending a three days' furlough visiting his mother.
